PORTS OF CALL...

Skagway, Alaska

When gold was discovered in the Klondike region of the Yukon Territory (just across the border from Alaska), it resulted in the historic Gold Rush of 1898. As thousands of gold-crazed adventurers sought the best starting point for their arduous trek, they found the deepest penetration possible by boat was at the northern tip of the Lynn Canal. This is how Skagway was born.

Glacier Bay Cruising

This jewel of the national park system is known for its regal snow-capped mountain ranges, coastal beaches and of course those majestic glaciers. The wildlife viewing is also plentiful, with eagles, puffins, porpoises, seals, sea otters and whales.

Seattle, Washington

Seattle is often characterized by its laid-back attitude and rainy climate, but this thriving metropolis also offers one-of-a-kind architecture, the Olympic and Cascade mountain ranges, and a unique urban sophistication.

Inside Passage (cruising)

Cruising through the Inside Passage is really what has made Alaska cruising so popular. This trip captures so much of what people love about Alaska. There are glaciers the size of Rhode Island. Misty rain forests and ghostly blue fjords. And spirited communities that celebrate their varied heritage. Be sure to take in every view as you sail through one of the most beautiful parts of Alaska.

Ketchikan, Alaska

Ketchikan originated as an Indian fish saltery, but the town's major growth began when it became a supply base and entry port for miners during the 1898 Gold Rush to the Klondike. Much of the town's colorful past is still in evidence, especially in the nearby Indian villages, where you'll see colorfully carved totem poles and hear the fascinating legends that surround them.

Juneau, Alaska

Juneau, the capital of Alaska, was founded during a gold rush in 1880. Today, the former gold-mining town counts among its riches some of Alaska's most spectacular scenery. Nestled at the foot of Mt. Juneau in the Alaska Panhandle, it faces the water from the mainland side of Gastineau Channel. Several magnificent fjords are located along the channel coast, and the majestic Mendenhall Glacier, a favorite of visitors, is nearby.

Victoria, British Columbia

Victoria is a beauty to behold, surrounded on all sides by magnificent nature. From glorious beaches to Butchart Gardens, to deluxe whale watching, this charming Canadian city is truly a hidden treasure.
