Biking along the Danube – a very special pleasure because the hotel is always with you! Always gently downhill, you will experience the impressive river as you meander the Donauschlinge (Great Loop, the grandfather of all bike paths). Enjoy the gorgeous landscape of the legendary Wachau and immerse yourself in the untouched woods of the National Park Donauauen. Bratislava, the former city of Hungarian kings, is surmounted by an impressive medieval fortress with four towers. The restored Old Town with numerous sights & cozy coffee bars invites you to stroll...and then Vienna – a firework of places of interest! A city hard to describe – you have to feel it! Sights like St. Stephen's Cathedral, the town hall or the Riesenrad (Ferris wheel) are accessible during a sight-seeing tour by bike. At the Naschmarkt (famous food market) a stroll will become a cultural & culinary adventure. Budapest, the capital of Hungary, is actually two cities on each side of the Danube. Buda, an ancient city set on a hill, is topped by a magnificent palace. Pest, with Parisian style boulevards & The Great Market Hall, is a shopper's paradise.
