

Deluxe Motor Coach Excursion With
DayTripper Tours & Torrey Pines Ski Club

Historic Mission Inn Festival of Lights

Capture the wonder and excitement of the holiday season on our annual trip to the spectacular Mission Inn in Riverside. This majestic national historic landmark encompasses a city block and is a 320,000-square-foot maze of stained glass and spiral staircases with an architectural mix ranging from Spanish Baroque to Italian Renaissance to hints of Japanese. You'll take a fascinating docent-guided tour of this architectural masterpiece and see it come alive as over four million cascading lights transform the Mission Inn into a land of holiday magic during its annual "Festival of Lights" celebration. Prior to your guided tour you'll have time to stroll the adjacent pedestrian shopping area and enjoy lunch on your own at one of several nearby eateries.

Terms and Conditions

Seating Assignments: Motor coach seats are assigned from front to back in the order your reservation is made. While we can usually honor requests for window or aisle seats, seating requests cannot be guaranteed. Persons with disabilities with valid and current disabled placard numbers on file with us may receive priority seating whenever possible. On multiple-day tours, seat rotation may apply.

Cancellation Protection Plan (CPP): DayTripper Tours is offering an optional Cancellation Protection Plan for most one-day and multi-day tours that depart from San Diego by Motor Coach. The CPP allows you to cancel your reservation for any reason up until two hours before your scheduled departure time and receive a full refund (less the CPP fee), provided you notify DayTripper Tours by telephone of your change of plans at least two hours prior to your scheduled departure time. The CPP must be purchased prior to the tour's normal cancellation deadline. To cancel your reservation please call (800) 679-8747 and press zero. An agent is available 24 hours per day to process your request. Cost of the CPP for one-day and multi-day motor coach tours is \$5 for each \$50 increment of the full, non-discounted tour fare plus any add-on options. CPP does not pay for the single supplement of the remaining traveler when a traveling companion cancels from a double occupancy reservation. The CPP is not insurance, but rather an agreed upon cancellation fee that is paid in advance for the right to cancel a reservation according to the terms stated in this section. CPP is not offered on certain ticketed events or on tours that include air, rail or cruise line transportation.

Travel Protection for Air, Rail and Cruise Tours: DayTripper Tours offers travel insurance provided through both Travel Insured International and Travel Guard. These companies provide a variety of Travel Protection options on tours involving air, rail and cruise vacations, and as an alternative to the CPP. Please call for details and/or an insurance application.

Cancellations, Refunds and Change Fees for Individuals: Refunds for tour reservations canceled by the passenger will be issued in accordance with the following terms and conditions: For one-day tours, you must cancel your reservation 14 or more days prior to the departure date to receive a refund, transfer or credit. For multiple-day motor coach tours, you must cancel your reservation 45 or more days prior to the tour's departure date to receive a refund, transfer or credit. A \$25 change fee will be charged for any passenger changes to an overnight tour once the final payment deadline has passed. Cancellation deadlines and policies for cruises, tours operated through other tour operators and tours involving air travel differ; please call for specific deadlines and policies on the tour in which you are interested. All refunds for cancellations made prior to the deadline will be assessed a \$5 per person administrative fee on day trips and \$10 per person on multiple-day trips. No refunds, transfers or credits will be issued for reservations that are canceled after the cancellation deadline. Reservations made after the cancellation deadline has passed must be paid in full at the time the reservation is made and are nonrefundable and nontransferable. Cancellation deadlines for group reservations of 10 or more persons differ. Please refer to "Cancellations of Group Reservations" below. No refunds for failure to board bus at the assigned time and place. Unused portions of a tour are nonrefundable. If DayTripper Tours cancels a tour you are entitled to a full refund without penalty. Please allow 14 days for check refunds. Credit card refunds will be credited back to your original card within 2 business days.

Cancellation of Group Reservations: Reservations for groups of 10 or more persons and for individuals who are members of a group reservation must be canceled 30 or more days prior to the tour date on one-day trips, and 45 or more days prior to the departure date on overnight motor coach trips to receive a refund, transfer or credit unless other arrangements have been secured in writing between DayTripper Tours and the group leader or organization. Cancellation terms and deadlines for overnight tours that involve air, rail, cruises, or that are operated through other tour companies differ from these general terms and are available for the specific tour you are interested in by calling DayTripper Tours directly. All other terms and conditions apply as stated in the previous section under *Cancellations, Refunds and Change Fees for Individuals*.

Rain or Shine: All scheduled tours will operate rain or shine unless the main attraction of a tour is canceled by the service provider, or when travel to the destination has been declared inadvisable by law enforcement or other officials. In such cases you will be notified as soon as possible.

Bus Pickup Locations and Parking Liability: DayTripper tours offers various bus "pickup points" or "departure locations" as a convenience to customers residing in different areas of the county. However, these are offered only as locations from which to board the coach and are not offered as or implied as secure or legal locations for automobile parking. DayTripper Tours assumes no liability for loss, theft, damage, personal injury or citations arising from the locations at which passengers' automobiles are parked. We highly recommend that customers observe all parking restrictions and local ordinances. Street parking is usually limited to 72 hours and Park & Ride parking is generally limited to 24 hours and therefore we recommend utilizing public transportation or taxi service to transport you to our departure locations on overnight tours. When home pickup and return is included as part of a tour, the home pickup is limited to a radius of 35 miles from San Diego International Airport. A surcharge will be added to distances beyond this radius.

Passenger Responsibilities: All passengers assume responsibility for following all tour procedures, safety regulations, and acceptable patterns of behavior while traveling with DayTripper Tours. We reserve the right to refuse passage to anyone who, in our sole opinion, may affect the health, safety or enjoyment of other passengers on a tour, either prior to departure or during the tour. Should it be necessary for a passenger to return home while a tour is in progress, any travel expenses incurred are the sole responsibility of the passenger.

Passenger Health: DayTripper Tours makes reasonable accommodations to our disabled passengers with adequate advance notice. Passengers should be in good mental and physical health to fully enjoy the group tour experience, as most tours involve walking, free time and step-climbing or other physical activities during the course of the tour. Passengers are responsible for making a determination of the appropriateness of a tour in consideration of their personal limitations prior to making a reservation. Passengers needing any form of personalized assistance, and persons with physical limitations, should be accompanied by an individual who will take full responsibility for any personalized assistance needs during the tour and in the event of an emergency.

Age Restrictions: We are unable to accept children under the age of 16 on our tours except by special request. A responsible adult must accompany and supervise all children under the age of 18 at all times while on a tour.

Travel into Mexico: Children under the age of 18 traveling on any tours into Mexico must be accompanied by both parents and must bring a birth certificate or photo ID. All passengers are responsible for determining the requirements for their particular situation and for obtaining all required documents and information by calling the INS at (619) 690-8888. Failure to do so may result in detention at the border and require alternate transportation home at the passenger's expense.

Liability: DayTripper Tours acts solely as the agent in arranging for and coordinating various services of other companies to create tour packages, including transportation, tour escorts, hotels, restaurants, admission tickets and other services. The persons or companies engaged in conducting those services are not employees of DayTripper Tours, therefore, DayTripper Tours assumes no liability for any loss, accident, baggage damage, delay, inconvenience, expense or injury to you or any persons traveling with you owing to any act of default or negligence caused by any person or company engaged in providing those services, or by any strike, acts of Providence or other events beyond our control. We reserve the right to cancel or alter any tour when circumstances require. By submitting your payment for any tour you are accepting these terms and conditions in their entirety.

You Are Protected Through TCRC: This business is a participant in the Travel Consumer Restitution Corporation (TCRC). Our Seller of Travel number is CST 2013401-50. You, the passenger, may request reimbursement from TCRC if you are owed a refund of more than \$50 for transportation or travel services which was due to you in accordance with the terms and conditions under "Cancellations and Refunds" and was not refunded in a timely manner by a seller of travel who was registered and participating in the TCRC at the time of sale. The maximum amount which may be paid by the TCRC to any one passenger is the total amount paid on behalf of the passenger to the seller of travel, not to exceed \$15,000. A claim must be submitted to the TCRC within six months after the scheduled completion date of travel. A claim must include sufficient information and documentation to prove your claim and a \$35 processing fee. You must agree to waive your right to other civil remedies against a registered participating seller of travel for matters arising out of a sale for which you file a claim with TCRC, if you were located in California at the time of the sale. You may request a claim form by writing to: Travel Consumer Restitution Corporation, P.O. Box 6001, Larkspur, CA 94977-6001; or by faxing a request to (415) 927-7698
