

## 2019-2020 Ikon Pass Differences

Each pass allows a mixture of unlimited skiing at some destinations, and maximum number of days at others. In the case of the IkonBase Pass, certain holiday periods are excluded (Dec. 26-31, 2019 and Jan. 18-19 and Feb. 15-16, 2020). Resorts with these date restrictions display a (DR) tag next to them. There are no date restrictions for the more expensive Ikon Pass.
