OCEANSIDE beach clean-up

90% of what we picked up on the beach was cigarette butts.

On May 10, 2014, Catherine Ohl led Pac Rim on the beach at Oceanside's CoastFest to participate in a clean up endeavor. It's hard to believe that over 350 pounds of trash was collected. It was back breaking work and made even more so since most of what we picked up was cigarette butts.

Rubio's CoastFest is designed to educate the community about ocean conservation, is full of exciting freebies and activities, including prizes from the Rubio's prize wheel, face painting, an ocean-pledge wall, complimentary food and drinks, the Ocean Institute's "Ocean in Motion" aquarium touch tank, a photo booth to capture the day's memories, a Kids' Zone, an inflatable jumpy house, a mobile learning center courtesy of the Wyland Foundation, free surf lessons from Surfin' Fire and live music. ■

Help keep our beaches clean— leave only footprints.

This guy built the most incredible sand castle with the CoastFest logo.

Amazing FREE fish tacos for everyone provided by Rubios. Delish.

So many people came out to help collect over 350 lbs. of trash.
